FOR IMMEDIATE RELEASE:

More support for Code Generation Conference

More companies have lent their support to May's [Code Generation 2007](#) conference, organized by Cambridge-based [Software Acumen](#).

[Pure-systems GmbH](#), [Xactium](#) and [NT/e](#) have all announced their sponsorship of the event and will present sessions at the conference showcasing their expertise in Model-Based Development and related approaches.

Code Generation 2007 will bring together leading software developers, vendors and consultants from 18th - 20th May 2007 at Cambridge's Homerton College.

The full event programme is being finalized but will include panels, tutorials and other sessions from thought-leaders in the field of Code Generation, Model-Based Development, Software Factories and other related areas.

Visit the [CG2007 web site](#) for more information.
